

FRANCHISEE PROPOSAL

INTRODUCTION : THE ORGANISATION:

National Educational Council (NEC) is established as per the provisions of the constitution of India and registered under Societies Registration Act –1860, with Bihar Government, Registration No.826 of 1995/96.

The Council, under Government of India Societies Act is an autonomous body and enjoys statutory status under the constitution of India for the right to Education/Training and its administration, Copies of Bye- laws, Balance Sheet and other information is sent to the different authorities and Department of the Government of India and State Government.

The Council has obtained ISO 9001:2000 certification for its quality Management Standard.

THE FRANCHISE - OFFER

The Council intends to establish & run **Study centers** for Professional Courses to avail the opportunities by masses at affordable charges, which is being generated by private, public and corporate sectors, with special privilege to the reserved Categories of the Society.

Further it has been realised that despite a little-fee, so many students of distant places get it difficult to bear the cost of boarding & lodging at places other than their Hometowns. Further, Professional Course can better & easily be studied at their Hometowns, even with continuation of their Academic-Education.

As above, the Council intends to spread its facilities to major Districts, Towns & at Block levels; so that this tremendous opportunity may be availed by the masses at their door –step. As mentioned above, the Council intends to offer Study Centers through franchisees appointed for that purpose in various cities, towns & places.

COURSES OFFERED: Different courses of Certificate & Diploma level is being conducted by the Council in these areas :

- Computer Software
- Computer Hardware
- Computerised Accounting
